Saint Ignatius, the Jesuits and the Spiritual Exercises

When in Manresa in Spain, Saint Ignatius came to some important realisations in prayer. Finding them helpful to others he guided companions using his notes - his 'Spiritual Exercises'. These friends formed themselves into the Society of Jesus. The Jesuits, as they became known, committed themselves to serving faith in education, missions and in guiding others in prayer. Retreats and individual accompaniment through spiritual direction remain vital to Jesuits and those still inspired by Ignatius.

Spiritual Direction

Manresa Jesuit Centre of Spirituality has trained hundreds of people in spiritual direction over 40 years. Contact us if you wish to explore what spiritual direction might mean for you. Details of our two-year course in spiritual direction can be found on our website - www.manresa.ie
